EXPLANATORY NOTES

1. The Guide to UNCTAD Publications, 1990, lists the reference numbers and titles of the main reports and studies issued by UNCTAD during 1990. It is divided into four sections: English, French, Spanish and Arabic. In the English section a short description of the document is added. Many UNCTAD documents are also available in Chinese and Russian.

2. The majority of UNCTAD documents are first issued in mimeographed form. Some of them are later reissued in printed form and become sales publications. A number of documents are issued only as printed sales publications. They may be obtained from the UN Sales Section, United Nations, New York, N.Y. 10017, U.S.A., from UN Sales Section, United Nations, 1211 Geneva 10, Switzerland or through approved booksellers. Please quote the sales number with your order, which is payable in US dollars or the equivalent in convertible currency.

3. UNCTAD documents in the "general" series may be obtained as they are issued, on payment of a yearly subscription, including postage, of $250.00. Requests for subscriptions should be made to the UN Sales Section (see para. 2 above in New York or Geneva.)

4. UNCTAD (and UN) documents may be consulted in all UN Information Centres and at depositary libraries for UN publications.

5. Occasional copies of mimeographed UNCTAD documents may be obtained, stocks permitting, from: UNCTAD Reference Unit, Conference Affairs Service, Palais des Nations, 1211 Geneva 10, Switzerland. Please quote document number with your request. Large orders will be referred to the UN Sales Section for invoicing.

6. UNCTAD documents issued during 1965-1984 as well as all publications bearing sales numbers issued during 1965-1987 are available on microfiche in English and French. The cost is $2.00 (silver halide) or $1.75 (diazo) per fiche. Please send your order to UN Sales Section, Geneva.

7. UNCTAD/GATT International Trade Centre documents are listed separately. These should be ordered from the Finance and General Services Section, International Trade Centre, Palais des Nations, 1211 Geneva 10, Switzerland or through the UN Bookshop, 1211 Geneva 10. On written request the Centre will supply copies of ITC publications free of charge to official bodies, and to traders in developing countries who apply on their business letterhead.

8. Back copies of the Guide to Publications covering the years 1964-1989 are available to Government Departments, universities, research institutes and similar bodies which need them for reference purposes, from the UNCTAD Reference Unit, Conference Affairs Service, Palais des Nations, 1211 Geneva 10, Switzerland.

2. DEVELOPMENT FINANCE AND INTERNATIONAL MONETARY ISSUES

TD/B/1272

Economic consequences of the present crisis: a preliminary assessment. This note provides a preliminary sketch of how a continuation of the crisis in the Persian Gulf area might affect the world economy, in particular developing countries. It begins with a discussion of the consequences of the cut in exports of crude oil and refined products, and goes on to identify the main channels through which the cut in Iraqi and Kuwaiti imports and payments will affect developing countries. It then concludes with some policy suggestions. The note does not discuss actions which have already been taken to compensate countries adversely affected by the situation, or the economic impact on countries receiving the very large flow of displaced expatriates, owing to the extreme fluidity of the situation in those respects.

TD/B/C.3/234

Debt and managing adjustment: attracting non-debt-creating financial flows and new lending. Examines the principal issues concerning the interaction between the external debt overhang and the domestic economic policies pursued by developing countries. Reviews recent trends in the treatment of bilateral official and officially guaranteed debt, and of debt owed to commercial banks; as well as the budgetary experience of developing countries and the issues involved in fiscal adjustment.

TD/B/C.3/235

The external financing of development. Provides a succinct review of issues affecting the flow of development finance to and from developing countries in the 1980s, in particular ODA, multilateral flows and private flows including commercial bank lending, foreign direct investment and export credits. Also examines the main challenges confronting development finance for the 1990s such as factors affecting supply, and new demand factors such as the environment and the impact of reforms in Eastern Europe.

UNCTAD/TDR/10 (Sales No. E.90.II.D.6)

Trade and development report, 1990. A comprehensive review of the growth pattern in the world economy, highlighting: adjustment and distribution; external environment; trade issues; capital markets and debt; international finance; international banking and the Uruguay Round. Part I of the report examines international markets; current trends and prospects for the world economy and related issues in international trade. Part II examines the internationalization of finance including the issues of instability and uncertainty and of a multilateral framework of trade in banking service.

13. LEAST DEVELOPED, LAND-LOCKED AND ISLAND DEVELOPING COUNTRIES

TD/B/1248 (Sales No. E.90.II.D.4)

The Least Developed Countries: 1989 report. The report, the sixth in the series, reviews socio-economic development in the LDCs during the 1980s and progress in the implementation of support measures and identifies major challenges as the Least Developed Countries (LDCs) enter the 1990s. Issues addressed include: the LDCs in the world economy, the reproductive base, policies towards modernization, human resources development, mobilization of domestic savings, external trade and external financial support under the Substantial New Programme of Action (SNPA). The report also contains the Basic Data series on the Least Developed Countries which provides basic statistics series and indicators on the LDCs, including data on financial flows.

UNCLDC II/4/Rev.1

Aid co-ordination and effectiveness: Least Developed Countries 1981-1989. This study of aid co-ordination and its effectiveness was commissioned by UNCTAD as part of preparations for the Second United Nations Conference on the Least Developed Countries. The objective is to assess the effectiveness of arrangements for implementation of the Substantial New Programme of Action (SNPA). A specified focus of the study is on the SNPA-initiated air co-ordination process of country review groups with a view to further strengthening these arrangements [available in English and French only].

UNCLDC II/9

The Least Developed Countries: a statistical profile. This profile was prepared in connection with the Second United Nations Conference on the Least Developed Countries, Paris, 3-14 September 1990. It is meant to provide a handy form of reference by presenting in one sheet key indicators of development on the LDCs as a group and individually [available in English only].

UNCLDC II/10

Atlas of the Least Developed Countries. The purpose of the Atlas is to situate the LDCs with respect to a number of indicators, in relation to their neighbors and the rest of the world. On every map each LDC is named and a bold line marks its boundary or location. The indicators include, inter alia, population density and growth, gross domestic product (GDP), GDP per capita and sectoral composition of GDP, social indicators on health and education, imports of goods and services as a share of GDP, concessional assistance and main exports [English/French].

14. TECHNICAL CO-OPERATION

TD/B/1271
TD/B/WP/70

Review of the technical assistance activities of UNCTAD and their financing: annual statistical up-date 1989. The report reviews developments of UNCTAD's technical co-operation in 1989, and general trends for 1990 and beyond. It also briefly describes these activities by programme area, including progress in implementing country and inter-country projects. Statistical tables provide additional information.

15. ECONOMIC PROBLEMS OF THE OCCUPIED PALESTINIAN TERRITORIES

TD/B/1266

Recent economic developments in the occupied Palestinian territory. The report reviews major policy developments affecting the Palestinian economy during the period 1988-1990. In particular, it examines the impact of increasingly restrictive Israeli policies and the initiatives of the Palestinian people to safeguard their endangered economy. The report analyses available data on the aggregate performance of the Palestinian economy as well as developments in its key sectors and issues, including natural resources, agriculture, industry, population and labour force, the monetary and fiscal situation and external trade. The report concludes with recommendations for some steps that could be undertaken with a view to relieving tensions, providing immediate relief and encouraging a measure of economic revival.

UNCTAD/RDP/SEU/4

Data base extracts on economic issues and related Israeli practices in the occupied Palestinian territory (West Bank and Gaza Strip), January-December, 1989. This document is the fourth in a series of monitoring reports on economic issues and related Israeli practices in the occupied Palestinian territory. It presents extracts of information from various sources compiled by the UNCTAD secretariat in its data base on the Palestinian economy. It serves as a source of cumulative references for further investigation of the issues concerned, and supplements the annual reports and studies issued by the UNCTAD secretariat on the Palestinian economy [available in English only].

16. INSURANCE

TD/B/C.3/231

Statistical survey on insurance and reinsurance operations in developing countries 1984-1986. This survey, which is a reference document, is based on data supplied by 93 developing countries. Aggregate tables show the structure of their insurance markets, the latter's economic significance as well as loss and retention ratios. The relevant data are then shown in summary form for each country [available in English only].

17. ENVIRONMENT AND DEVELOPMENT

TD/B/1267 — Sustainable development and UNCTAD activities. Presents an analysis on the interface between sustainable development and the main lines of UNCTAD programmes on commodities, trade policy, technology, development finance and the Least Developed Countries. It also contains a section on sustainable development and economics.

18. FACILITATION OF INTERNATIONAL TRADE PROCEDURES

ECE/TRADE.TDED(90)
TD/B/TDED/90
(Sales No. E.90.II.E.8) — Trade Data Elements Directory: UNTDED 1990. This is the English language version of the 1990 issue of this Directory. This edition supersedes the first and second versions of 1989 as well as the first version of 1990 of the UNTDED. UNTDED is available also on PC diskettes [available in English only].

TRADE/WP.4/INF.112
TD/B/FAL/INF.112 — List of amended and additional data elements to be included in United Nations Trade Data Elements Directory (UNTDED). The 4 May 1990 amending supplement includes 17 new or amended data elements. It reflects amendments and additions requested by organizations participating in trade facilitation work or representing users of the Directory, in particular for use in United Nations Standard Messages (UNSM) developed in the framework of the EDIFACT syntax rules (Electronic Data Interchange for Administration, Commerce and Transport). Amending supplements of the UNTDED are sent automatically to registered holders.

TRADE/WP.4/INF.113
TD/B/FAL/INF.113 — Abbreviations of INCOTERMS: Revision of ECE/FAL Recommendation No. 5. This Recommendation, adopted in 1974, provides a three-letter alphabetic code to represent the terms laid down in the International Rules for the Interpretation of Trade Terms, adopted by the International Chamber of Commerce in 1953. In 1989 INCOTERMS were revised in order to adapt terms to the increasing use of Electronic Data Interchange (EDI): these revised terms, "INCOTERMS 1990", included in ICC Publication No. 460, entered into force on 1 July 1990. The revised Recommendation No. 5 is issued as document ECE/TRADE/171.

TRADE/WP.4/INF.114
TD/B/FAL/INF.114

Harmonization of the description of freight costs and other charges: Freight Cost Code (FCC). ECE/FAL Recommendation No. 23 provides a naming system to be used for the establishment of harmonized descriptions of freight costs and other charges related to the international movement of goods. It also specifies a code for the assignment of ambiguous coded representations of these descriptions. Recommendation No. 23 is issued as document ECE/TRADE/170.

19. STATISTICAL DOCUMENTS

NOTES EXPLICATIVES

1. Le Guide des publications, 1990 de la CNUCED indique, par matière, la cote et le titre des principaux rapports et études publiés en 1990 par la CNUCED. Il est divisé en quatre parties : texte anglais, texte français, texte espagnol et texte arabe. Une brève analyse de chaque document figure dans le texte anglais. De nombreux documents de la CNUCED sont aussi publiés en chinois et en russe.

2. La plupart des documents de la CNUCED paraissent d'abord sous forme reprographiée. Quelques-uns sont ensuite imprimés et deviennent des publications destineés à la vente. Un certain nombre de documents ne paraissent que sous forme de publications imprimées destinées à la vente. Les publications en vente peuvent être commandées à la Section des ventes de l'Organisation des Nations Unies, New York, N.Y. 10017 (Etats-Unis), à la Section des ventes, Organisation des Nations Unies, 1211 Genève 10 (Suisse), ou par l'intermédiaire de certaines librairies autorisées. Prière d'indiquer le numéro de vente dans la commande, qui est payable en dollars des Etats-Unis ou l'équivalent en monnaies convertibles.

3. Les documents de la CNUCED de la série "Distribution générale" peuvent être obtenus au fur et à mesure de leur publication contre paiement d'un abonnement annuel de 250 dollars, frais d'envoi compris. Les demandes d'abonnement doivent être adressées à la Section des ventes de l'Organisation des Nations Unies (voir par. 2 ci-dessus, à New York ou Genève).

4. Les documents de la CNUCED, comme ceux des Nations Unies, peuvent être consultés dans tous les centres d'information des Nations Unies et bibliothèques dépositaires des publications des Nations Unies.

5. Des exemplaires isolés des documents reprographiés de la CNUCED peuvent être obtenus, dans la limite des stocks disponibles, auprès du Groupe des références de la CNUCED, Service des affaires de la Conférence, Palais des Nations, 1211 Genève 10 (Suisse). Prière de préciser la cote des documents demandés. Les commandes de grandes quantités seront transmises à la Section des ventes de l'Organisation des Nations Unies.

6. Les documents publiés par la CNUCED de 1965 à 1984 ainsi que toutes les publications ayant un numéro de vente parues entre 1965 et 1987 existent sous forme de microfiches en anglais et en français, à raison de 2 dollars la fiche argentique, ou 1,75 dollar la fiche diazo. S'adresser à la Section des ventes de l'Organisation des Nations Unies, à Genève.

7. La liste des documents du Centre du commerce international CNUCED/GATT est publiée séparément. Les demandes doivent être envoyées à la Section des services financiers et généraux, Centre du commerce international, Palais des Nations, 1211 Genève 10 (Suisse), ou à la Librairie des Nations Unies, Palais des Nations, 1211 Genève 10. Le Centre fournira à titre gracieux des exemplaires de ses propres publications aux organismes officiels et aux entreprises commerciales des pays en développement qui lui en feront la demande par écrit sur papier à en-tête officiel ou commercial.

8. Des exemplaires des éditions précédentes du Guide des publications pour les années 1964 à 1989 peuvent être obtenus par les administrations publiques nationales, les universités, les instituts de recherche et établissements analogues qui en ont besoin aux fins de référence, auprès du Groupe des références de la CNUCED, Service des affaires de la Conférence, Palais des Nations, 1211 Genève 10 (Suisse).

NOTAS EXPLICATIVAS

1. En la Guía de Publicaciones, 1990 de la UNCTAD figura una lista con los números de referencia y títulos de los principales informes y estudios publicados en 1990. La Guía está dividida en cuatro secciones: inglés, francés, español y árabe. En la sección inglesa figura una breve descripción de cada documento. La mayor parte de los documentos pueden obtenerse tambien en chino y ruso.

2. La mayoría de los documentos de la UNCTAD se distribuyen primero en forma mimeografiada. Algunos se reeditan en forma impresa y se ponen a la venta como publicaciones de la Naciones Unidas. Ciertos documentos sólo aparecen como publicaciones de las Naciones Unidas, en forma impresa. Estos pueden pedirse a la Sección de Ventas de las Naciones Unidas en Nueva York, N.Y. 10017 (Estados Unidos de América), o a la Sección de Ventas de las Naciones Unidas, 1211 Ginebra 10 (Suiza), o a las librerías autorizadas. El pedido debe indicar el número de venta del ejemplar solicitado y ha de pagarse en dólares de los Estados Unidos o su equivalente en moneda convertible.

3. Todos los documentos de la UNCTAD de la serie "Distribución general" pueden obtenerse a medida que se publican, previo el pago de una suscripción anual de 250 dólares, franqueo incluido. Las suscripciones se deben pedir a la Sección de Ventas de las Naciones Unidas (véase párr. 2 supra en Nueva York o Ginebra).

4. Los documentos de la UNCTAD, al igual que los demás documentos de las Naciones Unidas, pueden consultarse en todos los Centros de Información de las Naciones Unidas y en las bibliotecas depositarias de las Naciones Unidas.

5. Pueden obtenerse ejemplares sueltos de documentos mimeografiados de la UNCTAD, mientras queden existencias, dirigiéndose a la Unidad de Referencias de la UNCTAD, Servicio de los Asuntos de la Conferencia, Palacio de las Naciones, 1211 Ginebra 10 (Suiza). En el pedido debe indicarse el número de referencia. Los pedidos importantes se remitirán a la Sección de Ventas de las Naciones Unidas a efectos de facturación.

6. Se dispone de colecciones en microfichas en inglés y francés de las publicaciones efectuadas por la UNCTAD de 1965 a 1984 y las que tienen un número de venta desde 1965 a 1987 al precio de 2.00 dólares (haluros de plata) o de 1,75 dólares (diazocopia) por ficha. Los pedidos deben hacerse a la Sección de Ventas de las Naciones Unidas en Ginebra.

7. Los documentos del Centro de Comercio Internacional UNCTAD/GATT figuran en una lista aparte. Los pedidos deben dirigirse a la Sección de Finanzas y Servicios Generales, Centro de Comercio Internacional, UNCTAD/GATT, Palacio de las Naciones 1211, Ginebra 10 (Suiza) o a la Librería de las Naciones Unidas, 1211 Ginebra 10. Previa solicitud presentada por escrito, el Centro suministrará gratuitamente ejemplares de las publicaciones del CCI a los órganos oficiales así como a las empresas comerciales de los países en desarrollo que les pidan en carta con membrete.

8. Los organismos oficiales, las universidades, las instituciones de investigación y otras entidades que los necesiten a efectos de consulta pueden obtener ejemplares antiguos de la Guía de Publicaciones correspondientes a los años 1964 a 1989 dirigiéndose a la Unidad de Referencias de la UNCTAD, Servicio de los Asuntos de la Conferencia, Palacio de las Naciones, 1211 Ginebra 10 (Suiza).
